

Stan Davis

Games Programmer

Email: stanley.samson.davis@gmail.com

Phone: 07503834590

Portfolio: standavis.dev

PROFILE

I am an enthusiastic and creatively driven programmer with over 3 years experience in games development. This has provided me an extensive knowledge of various languages, and game engines including C++, C#, and Unity. I have a keen interest in building various gameplay systems, and I am constantly learning new skills through personal development.

Feel free to check out my portfolio to see all of my recent projects.
